Re: Assurity Life 1031 Exchange Project

Dear Ember:

I just wanted to take a moment to sincerely thank you for all your hard work on our recently completed 1031 Exchange transaction. Even though you were considered to be our "Plan B" you worked just as hard to satisfy our 1031 Exchange requirements as if you would have been our "Plan A". This dedication to customer service and customer satisfaction was unparalleled in my thirty years of real estate experience. You are an extremely professional and honorable individual, Ember. I very much appreciate all you did for us.

Thank you again for your hard work and dedication.

Sincerely,
