Re: Ember Grummons

Ember Grummons handled the sale of an office building for me. Every sale has its own unique characteristics but I would be surprised if there were many sales that involved so many issues before closing. We had tenants come go and we even discovered mold of in one of the tenant spaces. Ember navigated the sale perfectly through these various issues. Ember is hardworking, honest and loyal to his clients. I do not hesitate to recommend him highly.

Yours truly,
