Ember Grummons  
Investors Realty  
11301 Davenport Street  
Omaha, NE 68154

Re: Numerous Projects

It has made our job much easier working with Ember on several of our dispositions. In this business it is difficult to find trustworthy and dependable brokers but over the course of the last 10 years Ember has been nothing but honest, fair, and extremely diligent in every transaction. I would recommend him to any real estate professional and look forward to future transactions.

Thank you,

Jeff Perdue  
Director of Asset Management  
Jasper Stone Partners.
